Section E--General Information

5. Correction to PB1, 25 Mar 97. Change office symbol as reads "**HQ AIA/XMRO**" to read "**HQ AIA/XRMO**," in each instance it appears, in Part I, Section A, Functional Publications and Part I, Section D, Publications Distributed.

6. Delete Item 8, Section E, General Information, PB2, 1 Jul 96, correction to Part I, Section B, PB1, 29 Mar 95 and PB2, 21 Jul 95. Original announcements in these AIAPBs were correct. AIADIR37-131, Air Intelligence Telephone Directory was slated to supersede AFICVA11-2, 1 Oct 92. However, since then, AFICVA11-2, 1 Oct 92 has been rescinded and AIADIR37-131 will not be printed.

7. Recently, we published a listing of obsolete publications. Well, despite all the checking and double checking, there is one incorrect item on the list. **AFR4-61AIA1 does not, repeat, does not** supersede AFR205-43AIA1. These supplements are two distinct subjects and both are still current.

8. Correction to Part 1, Section A, PB2, 1 Jul 96, as reads: AIAI33-**113**, AIA Policy on Use of Electronic Mail (Communications and Information) should read AIAI33-**101**:. This instruction establishes general AIA policy on the appropriate use of and standards of conduct regarding the use of electronic mail (e-mail) services by AIA and AIA-supported organizations. OPR: HQ AIA/SCXL; Distribution: F.

9. Correction to Part 1, Section D, PB1, 25 Mar 97, as reads: AFI33-~~114~~AIA1, 10 Jun 96, OPR: HQ AIA/SCXI; Dist: F;X; should read: AFI33-~~113~~AIA1, 10 Jun 96, OPR: HQ AIA/SCXI, Dist F;X. It supersedes AFICR700-6, 18 Sep 92 and AFICR700-7, 6 Nov 92.

10. We discovered an internal error in re-numbering two publications. In our internal records the below listed publications bear the same number. They should be as listed below. AIAIND2, 1 Apr 97 reflects the correct information for both publications. These publications were merely assigned new series and numbers, but still reflect the exact informational text as the versions they supersede:

AIAI36-2801, 1 Mar 94, SENSOR OLYMPIC Program, OPR: HQ AIA/DOOS, Dist: F;X. It supersedes ESCR900-15, 16 Jul 95.

AIAI36-2810, 2 Nov 92, Communications-Computer Systems Security Achievement Awards, OPR: HQ AIA/SCPS, Dist: F;X. It supersedes ESCR900-2, 2 Nov 92.

11. The AIA publications and forms are now on the AIA Publishing World Wide Web. Visit our Web Page: <<http://pdo.pdc.aia.af.mil>>. Commanders, Directors, and other office chiefs can help us by ensuring the information for their Customer Account Representatives (CAR) is complete and up-to-date, including an e-mail address that will reach the CAR.
